

WHO WE ARE

The Violet Crown Sports Association is a 501(c)4 nonprofit cycling club that has been at the heart of the Austin cycling scene since 1981. We bring together cyclists of all types and abilities to create a community that is welcoming, interdisciplinary, and intergenerational. We host thousands of participants every year on our rides, races and at our community events.

OUR MEMBERS

We are composed of more than 300 Austin-area cyclists ranging in age from 10 to 85. We are brought together by our love for bikes and our desire to challenge ourselves to be better cyclists and better people. You will find our members on group rides and at gran fondos and races, both as participants and volunteers actively serving the community.

RIDES

All are welcome at our six weekly rides, many of which start from Mellow Johnny's Bike Shop. Our rides are designed for a wide range of abilities, from those seeking to test their legs against other racers, to the more mellow Violet Cruise ride which is perfect for those looking to learn how to ride in a group.

EVENTS

VC supports many local events and hosts several ourselves:

- ◆ **4th of July Ride and Picnic** – Annual 60 mile ride and celebration with more than 120 participants
- ◆ **Webberville Cyclocross Race** – Two days of racing over mixed surfaces in Travis County's Webberville Park.
- ◆ **VC Winter Tour** – Twelve or more daily rides over the winter holidays to end the year on a high note.
- ◆ **Gravel Rides x Space City Development Team** – Off-road community rides with our under 23 development team partner.

WOMEN'S AND MEN'S RACING TEAMS

Racing has been a part of the charter and heritage of Violet Crown since its inception.

Junior Development Program – Led by program graduate and 2009 British National Road Race Champion, Kristian House. Fosters young athletes' love for the sport and provides the framework for them to succeed in the sport and in life.

Women's Team – A key focus of the inclusionary goals of the club, the Women's Team was started in 2016 to grow a local, community-oriented team who want to learn the art of competitive bike racing and recruit more women into the sport.

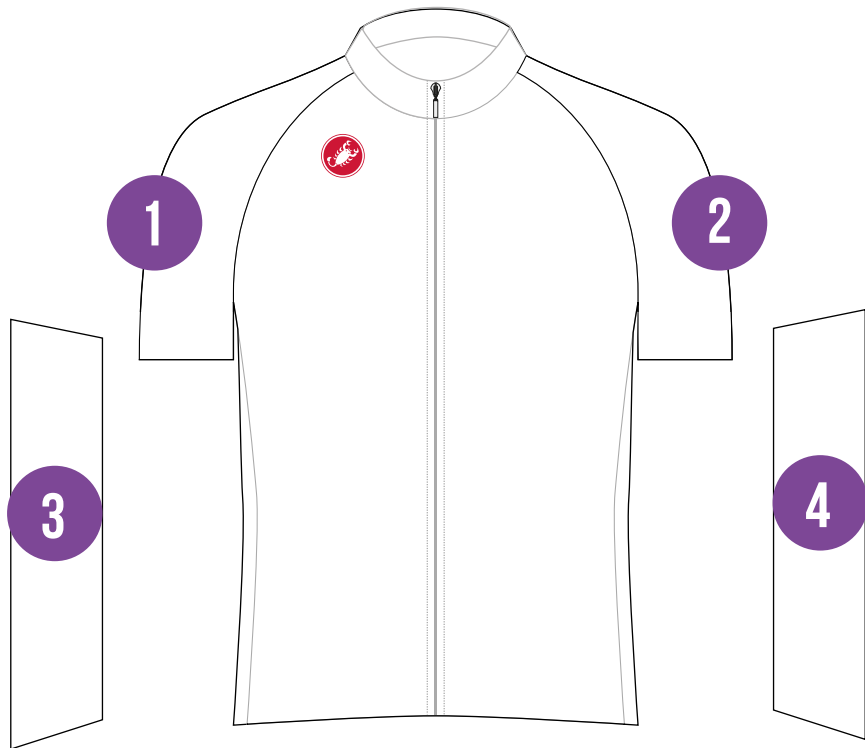

Men's Team – Composed of 15 members chosen for their participation, experience and leadership in the community. They support more than 65 club members who race occasionally.

SPONSORSHIP

Sponsorships compose roughly half of our annual budget, with the other half coming from membership dues. Contributions support our events and programs, club meetings and other local events.
