

HOW TO UPGRADE FROM CURRENT CATEGORY TO THE NEXT LEVEL.

Step 1: Go to <https://www.usacycling.org/>

Step 2: Log onto your USAC account by clicking on “My Profile”.

Step 3: Log onto your account. If you have a year license then you should have a USAC account already.

Step 4: USAC have only recently upgraded their whole website system in the last year, but most of their stuff are still in their “Legacy Site”. Click on “Legacy Site” or “Tools”.

Step 5: This is the Legacy Site. Click on “License”. A “License Information” screen will pop up.

Step 6: Click “Upgrade/Downgrade”.

Step 7: Choose the category that you want to upgrade to. You will then need to list the races that you’ve received upgrade points for, so go back to the >License>Upgrade Status screen. You can only list mass start races, i.e. Time Trials and overall General Classification wins **does not** count.
